### Vision

#### Engaged and Wholistic Communities.

#### Our Mission:

BRT6HC Inc. builds engaged and wholistic communities through:

- client focused and family centered care
- honouring traditional values; and
- promoting and supporting the wholistic health of people living in the member bands.

BRT6HC uses the Seven Grandfather Teachings as their values for the organization

- |                    |          |
|--------------------|----------|
| • Iyiniisowin      | Wisdom   |
| • Sakihitowin      | Love     |
| • Manâtisiwin      | Respect  |
| • Sôhkitêhêwin     | Courage  |
| • Kwayaskitâisiwin | Honesty  |
| • Tapahtêyimisowin | Humility |
| • Tapwewin         | Truth    |

## Quality Care

BRT6 Health Centre Inc. strives to provide quality care to all clients seeking services.

Our promise is to treat you and your family with dignity, courtesy, consideration, and attentiveness. You'll be cared for in a way that respects your culture, traditional values, beliefs, and lifestyle.

If you have any concerns about your care or your rights and responsibilities, please contact:

BRT6 Health Centre Inc. or your Community Health Clinic.

## BATTLE RIVER TREATY 6 HEALTH CENTRE

## Community Based Health Services

Battle River Treaty 6 Health Centre Inc. wants you and your family to feel physically healthy, mentally, socially and spiritually.

Our **Community based health programs** promote, support and encourage healthy behaviours and habits for all ages and stages.

The Community health nurses provide health services, education and resources.

The goal of **Home Care** is to help people who have health problems stay in their own homes on-reserve for as long as possible.

The purpose of **Health Promotion** is to enable communities and their people to gain greater control over all the factors that affect their own health.

The **Environmental Public Health Program** provides disease prevention and education in your community. The Environmental Public Health Officer (EPHO) is knowledgeable about drinking water, food safety, substandard housing, wastewater, solid waste disposal, communicable disease control/surveillance and emergency preparedness.

*Community Health Nurse, Sexual Health Nurse, Community Nutritionist, Dietician, Exercise Therapist, Environmental Health Officer, Water Quality Technician, Emergency Management Coordinator, Home Care Nurse, Diabetes Nurse Educator, Home Health Aide, Hospital Liaison Worker, E-health Coordinator*

## Wellness

The Wellness program strives to provide wholistic and culturally appropriate mental health, addictions services and support communities in building capacity for wellness.

Our programs include:

The **Counselling Program** provides mental health and addictions counselling with adults 18 years and up. Youth counselling with youth 10-17 years of age from BRT6HC communities.

The **Matrix Intensive Addictions Outpatient Program** is a structured treatment where clients receive information and support in building a substance-free lifestyle.

The **Cultural Team** provides services to Residential school survivors and clients who request elders or cultural support.

The **Community Outreach Program** provides outreach to the communities on mental health and addictions education, tobacco prevention programming and other community based support to assist communities to maximize their knowledge in mental health and wellness.

*Adult Wellness Counsellors  
Youth Wellness Counsellors  
Community Wellness Worker  
Youth Transition Worker  
Oars/Map case Manager  
Elders  
Cultural Facilitators  
Community Outreach Worker  
Urban Liaison Worker*

## Healthy Families Program

The **Head Start Program** is designed to provide the following components: Culture & Language, Education, Health Promotion, Nutrition, Social Support and Parental Involvement. It is for children ages 0-6 years of age.

The **School Dental & COHI Program** provides a full range of dental treatment and services for children ages 0-18 years of age enrolled in our First Nations schools as well as Community Oral Health Initiative (COHI) provided to children 0-6 years of age & education services provided by our COHI/Dental Aide.

The **Early Childhood Outreach Worker** provides support to families who are navigating through the health care system by connecting them to resources & services. For ages 0 to 18 years old.

The **Jordans Principle Service Coordinator** is a Child first initiative that provides supports to families on and off First Nations communities. This program ensures there are no gaps in publicly funded, health, social, and educational programs. The Jordan's Principle Service Coordinator supports families with children 0-18 years of age.

The **Family Health Workers** provide services to the Prenatal & Postnatal mothers. Some of the services that they provide: prenatal classes, healthy choices, moss bag making project, nursing cover project, voucher program, support well baby clinic, hospital tour, grocery tour, table talks, positive parenting classes and they provide transportation to the clinic to access services.

*Family Health workers, Community Daycares, Head Start Home visitors, Early Childhood Outreach Worker, Jordan's Principle service coordinator, Dental Therapist, Dental Assistant, Head Start Support Worker, Cultural Facilitator, COHI/Dental Aide*
